

League News – Dec 2024

As we celebrate our 80th anniversary the league committee is busy planning & putting together celebratory preparations in time for the Presentation evening next year.

During the summer break, members of the league committee have been engaged in comprehensive research of the league`s history & have been busy compiling a historical database that we can hopefully share with you via the league website upon its completion. As our knowledge deepens – we intend sharing something special at the Presentation Evening next year.

In the meantime, if any of our Teams & Players have any historical knowledge and/or documents relating to the league that can hopefully supplement our research & fill in any gaps – please contact the league fixture secretary. The league can scan & return any documentation that you hold as soon as possible.

In other news.... we have encountered a couple of minor interruptions in the league & Cup programme due to inclement weather & double booking of the alley.... otherwise, things have gone well.... famous last words - hopefully not!!

Front Pin First & All In Cups – the same format as last season will apply – semifinal draw will be held on the night when you will discover your opposition & alley.

Semi-Finals will take place at Patchway Labour Club (League Headquarters) in the hall alleys. Please arrive no later than 7:45pm.

Tues 21st Jan 2025 Front Pin First Cup

Weds 22nd Jan 2025 All In Cup

In closing – have a great Christmas & Prosperous New Year

From all at the Bristol Northwest League Committee
