scroll down for rules & guidelines when playing in the Cup

- 1) Teams drawn at home must arrange the night of play and notify the away team secretary as soon as possible. One date in the re-arranged cup weeks shall be sufficient.

Please don't make the mistake of assuming that a Home Team will always play a Cup match on the same night as a league match, circumstances can sometimes dictate that a Cup match is played on a different night of the week.

- 2) The winning team is responsible for sending in the completed scoresheet (result) within 48hrs.
- 3) Sticker Up fees are shared equally 50/50.
- 4) In the event of a tied match the result shall be decided the same night by the following: Each Team Captain shall select 2 players from his/her team who have played in the match, each player will then bowl 3 ups.

The highest combined total score (both players on the same team) after 3 ups will determine the winners.

If the result is still undecided, the same 2 players from each side will each bowl ups until a result is obtained.
