

## **Latest news – 2024/25 season – as of 5<sup>th</sup> May 2024**

**Please note – some of the following information is provisional only  
& may change if circumstances dictate**

a) One team (division 3) have resigned from the league. This will mean 2 x blank weeks for every team in this division. All other teams in the league (all other divisions) have indicated they will be participating in the 2024/25 season.

b) Based on the current league structure implemented for last season (2023/24) – no further changes are currently anticipated for the 24/25 season – hence Prem & Div 1 will be Front Pin First & Divs 2 & 3 will be All In – all being played on a 10 a side basis

c) The following teams have advised a change of alley for the 2024/25 season.....

**Flyers (Div 1) will play at the Hambrook Club**

**Pro Inn (Div 3) – will play at the BAWA Club**

**Nevil Rollers (Div 3) – will play at Little Stoke Social Club**

d) Same as last season – minimal interest has been shown in the Fours, Pairs & Singles. It is therefore extremely doubtful any of these competitions will take place.
