

End of season update, Presentation Night, AGM & Open Night

End of season

Following the result of the delayed promotion decider involving First Rebels v Uppers & Downers, the final league table for the 2021/22 season is now complete & available for viewing on the league website.

Submissions (player scores) for the Highest Away Score & Highest Away Average per division must be with the league fixture secretary no later than Sunday 29th May 2022. Please use the form shown in the download page of this website. Alternatively, you can always contact the league fixture secretary & request a copy of the same form.

A couple of teams have still not returned their Trophy/Cup from the last presentation evening. Notwithstanding the history associated with these items, you are also reminded that they remain the property of the league and must be returned as soon as possible so that we can prepare them for the presentation night in July.

Presentation Night

Once again, we welcome back our annual presentation night at the BAWA Club on Saturday July 2nd 2022 – 20:00pm start.

Tickets cost £6 each & can be purchased & paid for at the AGM through Terry Gregory.

AGM

The league AGM will be held at Patchway Labour Club on Monday 6th June 2022 – 20:00pm start.

Please be reminded that league fees (£60) **are not** payable until the Open Night in August 2022 – so please don't bring any payment along!

- a) We will be holding a vote on 10 v 12 a side for the new season.

- b) A blank player registration form will also be available on the night – should you require one. This form must be completed & returned no later than 2 weeks before the new season commences. The Open Night in August is usually when teams return this form.

Alternatively, you can always download & print the same form on the league website at a time of your choosing, or simply request a copy from the league fixture secretary.

- c) Each team will also receive a printed copy of the new league structure, fixture plan, divisional contact information & other items.

- d) Any other business will also be discussed on the night.

Non-attendance - If in doubt – please check rule 16 – you have been warned!

Open Night

Is scheduled for Tuesday 30th August 2022.

- 1) A payment of £60 (league fees for the 2022/23 season) should be paid on the night.
- 2) Completed Player Registration Forms can also be handed in at the same time. Please be reminded that all players must be registered at least 2 weeks before the season commences.
- 3) Should any changes occur that impact the league structure, team numbers & fixture formats – you will be updated accordingly on the night & receive a new pack.

Where applicable - see you all at the AGM
