

The latest league tables clearly show that several teams have not yet completed their full fixture programme & have also not provided rearranged dates for these games.

With the AGM fast approaching & the urgent need to have a full & complete set of data on hand for this meeting, the league committee have reached the following decision.....

Excluding the First Rebels v Uppers & Downers game which involves a promotion decision from Division 4 – all other remaining (outstanding) fixtures are declared null & void. No points will be awarded.

For reference....

Prem – Pirates v Sinners & Pirates v Unigate – null & void

Div 1 – fixture programme completed

Div 2 – fixture programme completed

***Div 3** – LED Sports v King Sports, Yabadabadoos v Samson Rams & St Bons v Filton Mixed - null & void.

Div 4 – First Rebels v Uppers & Downers is a promotion decider for one of the teams involved. It must therefore be rearranged & played before 20th May. Failure to comply with this date will result in a neutral alley being allocated for this game.

***Under the proposed new league structure – to be presented at the AGM – only two teams will be relegated from Divisions 2 & 3 respectively – leaving us with four divisions of 12 teams & one division of 11 teams for the 2022/23 season.**

The above proposal is based on the information you have kindly provided – 59 team registration forms returned for the 2022/23 season. **Please note that the proposed league structure could potentially change if any team(s) later decide they will withdraw from the league.**
