

Open Night - held at Patchway Labour Club on Tuesday 30th August 2022

Report

Following two very late resignations from Divisions 2 & four respectively, we now have 57 teams confirmed, registered & playing in the 2022/23 season.

Divisional breakdown as follows....

Prem – 12 teams

Div 1 – 12 teams

Div 2 – 11 teams

Div 3 – 12 teams

Div 4 - 10 teams

Please use the fixture programme & league structure shown on this website & also shown in your pack (team secretary`s & representatives) as your final guide for the 2022/23 season. Any changes are outlined below...

Div 2 change - following the resignation of Intoxicators – all fixtures against them are now a Free Week or `Open Night`.

Div 4 change - following the resignation of Uppers & Downers – all fixtures against them are now a Free Week or `Open Night`.

Given the extremely late notice of resignation just before the season begins + all the upfront planning, preparation & printing of documents that took place beforehand – changes in the league structure are not now possible.

Cup

The 1st round of both Cups (All In & Front Pin First) is scheduled for week commencing 10th Oct 2022. The draw for the 1st round of the Cup will take place during the first league committee meeting in late Sept. Please check the league website for updates.

Rules reminder

The pack that was issued on the league `Open Night` (Team Secretary`s & nominated representatives) carried a reminder of some of the basic rules that apply when playing skittles in the Bristol NorthWest.

Last season saw several teams break these basic rules, which ultimately resulted in a fine and/or points deduction – please don`t make us go down this road again!

A full copy of the league rules is always available on the league website – please consult it if you are in any doubt.
